

# Friends of Marlipins Museum

## Kids Archaeology Half-Term Fun Day

**Saturday, October 27th, 10.45am - 1.00pm**

### The Microscope

If you have got some 'finds' from the beach, the Downs, your garden or anywhere bring them along and put them under Auntie Dot's microscope, view them close-up and find out more about them.

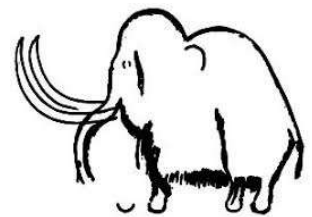

### Roman Mosaics

Learn how to make your own mosaic just like the Romans did.

### Cave Paintings

Find out about cave paintings, who did them and when and then make one of your own to take home.

View the Time Line on the Ages of Man from the beginning to the present and enjoy even more fun activities to do.

All children must be accompanied by a parent/adult

Children £2, Accompanying Adult Free  
Friends of Marlipins Museum Members Free
